NARRATIVE:

Luis Tuncal has an extensive adult criminal history that began at the age of 18. His convictions include burglary, driving without a license, robbery, possession of narcotic controlled substances for sale, grand theft of access cards, evading a peace officer with disregard for the safety of others, grand theft auto, vehicle theft, forgery, and false ID to a peace officer. He has served multiple incarcerations, the longest being a 3 year term for burglary. Tuncal was released from state prison to the supervision of the Los Angeles County Probation Department on January 1, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2015 after he absconded from post release community supervision (PRCS). Tuncal qualified to be released to the supervision of probation, under AB 109, because his current commitment offenses for burglary is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
